Galactic Suite

N

Lang geleden... in een dorpie vlakbij Delft, hadden 2 vrienden een gewaagd idee: een vervolgverhaal op de inmiddels legendarische Star Wars cyclus. Het idee werd zelfs gerealiseerd en kwam bijna op het bureau van de regisseur. Deze had zijn eigen ideeën echter al klaar en bedankte voor de genomen moeite. Toch spreekt het verhaal tot de verbeelding van diegenen, die zich graag laten meevoeren naar verre sterrenstelsels, waar de eeuwige strijd tussen goed en kwaad noch altijd wordt uitgevochten. In de muziek is dat te horen in de heroïsche thema's van het eerste deel en de spetterende gevechtsmotieven van het tweede deel. Tegelijkertijd is er ook de weemoed van de gevallen, om uiteindelijk de troost en overwinning te laten zeggen in het laatste deel, waar aan het eind nog eenmaal de heroïek wordt bezongen. Nu, meer dan twintig jaar later, zijn de muzikale schetsen van toen vereenigd in een toegankelijke suite, die menigeen herkenbaar in de oren zal klinken. Een poging, om naar eigen inzicht toch nog een deel van dat idee waar te maken, heetgen U hopelijk tot veel speelplezier zal stemmen.

E

A long time ago... in a small village near the Dutch city of Delft two friends had a rather hazardous idea: they wanted to write a sequel to the legendary 'Star Wars' cycle. The idea was realized and landed on the desk of the (film) director. However, the latter had already developed his own ideas and thanked them for the trouble. And yet, the story stimulates one's imagination, especially of those who like to be taken away to faraway constellations where the eternal struggle between good and evil is still going on. In the music we can hear this in the heroic themes of the first part and the fight themes of the second part. At the same time, there is also the sadness because of the victims, but finally consolation and victory triumph in the last part in which the heroism is once more sung. Today, more than twenty years later, the former musical sketches have been assembled in an accessible suite that will sound familiar to many listeners. It is an attempt still to realize part of the original idea and we do hope you will enjoy it.

D

Viele Jahre her... in einem Dorf in der Nähe von Delft in den Niederlanden hatten zwei Freunde eine gewagte Idee: sie wollten eine Fortsetzung des inzwischen legendären „Star Wars“ Zyklus. Diese Idee wurde gar realisiert und kam fast auf den Schreibtisch des Regisseurs an. Letzterer aber hatte schon seine eigenen Ideen und dankte Ihnen für Ihre Mühe. Jedoch reizt diese Geschichte die Fantasie von denen die sich gerne nach weit entfernten Konstellationen mitführen lassen, wo der Streit zwischen Gutes und Böses noch immer ausgekämpft wird. In der Musik hört man das in den heroischen Themen des ersten Teils und in den spritzenden Kampfmotiven des zweiten Teils. Zugleich gibt es auch die Wehmuth der Opfer, aber schließlich triumphiert der Trost und der Sieg im letzten Teil, wo am Schluss noch einmal den Heldenmut besiegen wird. Nun, zwanzig Jahre später, sind die musikalischen Skizzen in einer zugänglichen Suite gesammelt worden und mancher wird diese Musik nicht wie ganz unbekannt betrachten. Hier ist ein Versuch um, nach eigener Absicht, doch etwas von der originalen Idee zu verwirklichen und hoffentlich wird es Ihnen viel Spiel- und Hörfreude verschaffen.

F

Il y a longtemps.... dans un petit village tout près de la ville de Delft, deux amis avaient une idée assez hasardeuse: écrire une suite au cycle de la « Guerre des Étoiles » devenu légendaire depuis. L'idée fut réalisée et arriva presque jusqu'au bureau du réalisateur, or ce dernier avait déjà ses propres idées et remercia les deux jeunes pour la peine. Néanmoins, l'histoire stimule l'imagination de ceux qui aiment être entraînés vers de lointaines constellations où le combat éternel entre le bien et le mal se perpétue toujours. Ceci s'entend dans la musique à travers les thèmes héroïques de la première partie et les thèmes de combats dans la deuxième. Il y a également l'amertume des victimes, mais surtout la victoire et la consolation dans la dernière partie qui se termine par une louange de l'héroïsme. Vingt ans plus tard, les esquisses musicales de l'époque ont été réunies dans une suite très accessible que plus d'un reconnaîtra certainement. C'est finalement une tentative pour réaliser tout de même en partie cette idée hasardeuse et nous espérons qu'elle vous procurera beaucoup de plaisir, tant aux musiciens qu'aux auditeurs.
